D2. Changes to prescription drug coverage

Changes to our Drug List

An updated *List of Covered Drugs* is located on our website at www.caloptima.org/OneCare. You may also call Customer Service at the numbers at the bottom of the page for updated drug information or to ask us to mail you a *List of Covered Drugs*.

The *List of Covered Drugs* is also called the “Drug List.”

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the Drug List to **make sure your drugs will be covered next year** and to find out if there are any restrictions.

If you are affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Customer Service at the numbers at the bottom of the page or contact your personal care coordinator to ask for a list of covered drugs that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.

If you have questions, please call OneCare at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

**ONECARE (HMO D-SNP), A MEDICARE MEDI-CAL PLAN
ANNUAL NOTICE OF CHANGES FOR 2023**

- Ask us to cover a temporary supply of the drug.
 - In some situations, we cover a **temporary** supply of the drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 30 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your *Member Handbook*.)
 - When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.

Formulary exceptions are granted for the calendar year and expire on December 31. If you have a current formulary exception, you may need to request a new exception next year. To find out if you need to request a new exception, please call Customer Service at **1-877-412-2734**.

Changes to prescription drug costs

There are three payment stages for your Medicare Part D prescription drug coverage under our plan. How much you pay depends on which stage you are in when you get a prescription filled or refilled. These are the three stages:

<p align="center">Stage 1 Initial Coverage Stage</p>	<p align="center">Stage 2 Coverage Gap Stage</p>	<p align="center">Stage 3 Catastrophic Coverage Stage</p>
<p>During this stage, our plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin this stage when you fill your first prescription of the year.</p>	<p>During this stage, our plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin this stage after you pay a certain amount of total drug costs.</p>	<p>During this stage, the plan pays all of the costs of your drugs through December 31, 2023.</p> <p>You begin this stage after you pay a certain amount of out-of-pocket costs.</p>

The Initial Coverage Stage ends when your total drug costs for prescription drugs reaches **\$4,660**. At that point, the Coverage Gap Stage begins. Refer to **Chapter 6** of your *Member Handbook* for more information on how much you will pay for prescription drugs.

The Part D EOB that you receive will help you keep track of how much you, the plan, and any third parties have spent on your behalf during the year. Many people do not reach the **\$4,660** limit in a year.

If you have questions, please call OneCare at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

**ONECARE (HMO D-SNP), A MEDICARE MEDI-CAL PLAN
ANNUAL NOTICE OF CHANGES FOR 2023**

We will let you know if you reach this amount. If you do reach this amount, you will leave the Initial Coverage Stage and move on to the Coverage Gap Stage.

Important Message About What You Pay for Vaccines – Our plan covers most Part D vaccines at no cost to you. Call Customer Service for more information.

D3. Stage 1: “Initial Coverage Stage”

During the Initial Coverage Stage, our plan pays a share of the cost of your covered prescription drugs, and you pay your share. Your share is called the copay. The copay depends on what cost-sharing tier the drug is in and where you get it. You pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

We moved some of the drugs on our Drug List to a lower or higher drug tier. If your drugs move from tier to tier, this could affect your copay. To find out if your drugs are in a different tier, look them up in our Drug List.

The following table shows your costs for drugs in each of our two drug tiers. These amounts apply **only** during the time when you’re in the Initial Coverage Stage.

	2022 (this year)	2023 (next year)
<p>Drugs in Tier 1 <i>(generic drugs)</i></p> <p>Cost for a one-month supply of a drug in Tier 1 that is filled at a network pharmacy</p>	<p>Your copay for a one-month (30-day) supply is \$0 per prescription.</p>	<p>Your copay for a one-month (30-day) supply is \$0 per prescription.</p>
<p>Drugs in Tier 2 <i>(brand name drugs)</i></p> <p>Cost for a one-month supply of a drug in Tier 2 that is filled at a network pharmacy</p>	<p>Your copay for a one-month (30-day) supply is \$0 per prescription.</p>	<p>Your copay for a one-month (30-day) supply is \$0 per prescription.</p>

The Initial Coverage Stage ends when your total drug costs for the year reach **\$4,660**. At that point the Coverage Gap Stage begins. Refer to **Chapter 6** of your *Member Handbook* for more information on how much you pay for prescription drugs.

If you have questions, please call OneCare at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

ANNUAL NOTICE OF CHANGES FOR 2023**

D4. Stage 2: “Coverage Gap Stage”

When you reach the total drug costs **\$4,660** for your prescription drugs, the Coverage Gap Stage begins.

During the Coverage Gap Stage, our plan pays a share of the cost of your covered prescription drugs, and you pay your share. Your share is called the copay. The copay depends on what cost-sharing tier the drug is in and where you get it. You pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

The following table shows your costs for drugs in each of our two drug tiers. These amounts apply **only** during the time when you’re in the Coverage Gap Stage.

	2022 (this year)	2023 (next year)
<p>Drugs in Tier 1 <i>(generic drugs)</i></p> <p>Cost for a one-month supply of a drug in Tier 1 that is filled at a network pharmacy</p>	<p>Your copay for a one-month (30-day) supply is \$0 per prescription.</p>	<p>Your copay for a one-month (30-day) supply is \$0 per prescription.</p>
<p>Drugs in Tier 2 <i>(brand name drugs)</i></p> <p>Cost for a one-month supply of a drug in Tier 2 that is filled at a network pharmacy</p>	<p>Your copay for a one-month (30-day) supply is \$0, \$4.00, or \$9.85 per prescription.</p>	<p>Your copay for a one-month (30-day) supply is \$0, \$4.30, or \$10.35 per prescription.</p>

The Coverage Gap Stage ends when your total out-of-pocket costs reach **\$7,400**. At that point the Catastrophic Coverage Stage begins. The plan covers all of your drug costs from then until the end of the year. Refer to **Chapter 6** of your *Member Handbook* for more information how much you pay for prescription drugs.

D5. Stage 3: “Catastrophic Coverage Stage”

When you reach the out-of-pocket limit **\$7,400** for your prescription drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year.

If you have questions, please call OneCare at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

E. Choosing a plan

E1. Staying in our plan

We hope to keep you as a plan member. You do not have to do anything to stay in our plan. If you do **not** change to another Medicare plan or change to Original Medicare, you automatically stay enrolled as a member of our plan for 2023.

E2. Changing plans

Most people with Medicare can end their membership during certain times of the year. Because you have Medi-Cal, you may be able to end your membership in our plan or switch to a different plan one time during each of the following **Special Enrollment Periods**:

- January to March
- April to June
- July to September

In addition to these three Special Enrollment periods, you may end your membership in our plan during the following periods:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example:

- You moved out of our service area,
- Your eligibility for Medi-Cal or Extra Help changed, **or**
- If you recently moved into, currently are getting care in, or just moved out of a nursing home or a long-term care hospital.

If you have questions, please call OneCare at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.
