

CalWrap Drug List

This CalWrap Drug List applies to dual eligible members with full Medicare and full Medi-Cal, enrolled in OneCare or OneCare Connect. CalWrap covers (pays for) medications that are covered by Medi-Cal and excluded from Medicare Part D. All medications listed in the CalWrap Drug List are covered (paid for) if there is no restriction or if restrictions are met.

Pharmacy-dispensed injectable medications should be processed through the PBM.

Brand names are representative only; the brand name is not available without prior authorization.

Please note that claims may reject at the pharmacy point of service for reasons not listed in the Drug List, such as for drug interactions and therapeutic duplications.
